

### Purpose

To explain to our school community the Department's and Oakwood School's policy requirements and expectations relating to students using mobile phones during school hours.

### Scope

This policy applies to:

1. All students at Oakwood School and,
2. Students' personal mobile phones brought onto school premises during school hours, including recess and lunchtime.

### Definitions

**A mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

### Policy

Oakwood School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Oakwood School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

### **Personal mobile phone use**

**In accordance with the Department's Mobile Phones Policy issued by the Minister for Education, personal mobile phones must not be used at Oakwood School during school hours, including lunchtime and recess, unless an exception has been granted.**

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

### **Secure storage**

Mobile phones owned by students at Oakwood School are considered valuable items and are brought to school at the owner's (student or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Oakwood School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Oakwood School's Personal Property Policy AND/OR the Department's Personal Goods policy.

Where students bring a mobile phone to school, Oakwood School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Oakwood

School, students are required to store their phones in the mobile phone lockable storage lockers located at each site.

## Enforcement

Students who use their personal mobile phones inappropriately at Oakwood School may be issued with consequences consistent with our school’s existing Student Engagement and Well-Being policy.
